# radical

*rad-i-cal \ 'rad-i-kel \ adj.*
*marked by a considerable departure from the usual or traditional: EXTREME*

**J**esus Christ is, in the best sense of the word, a radical! He walked on water, stilled storms and fed thousands with a small boy's lunch. He healed the sick, raised the dead and cast out demons. He said to love your enemy and to not serve money. He welcomed the outcast, forgave the sinner and rebuked the powerful. He never cared what people thought. He never played it safe. He said and did the unexpected, the unconventional and even the shocking. As a result He was rejected and hated and eventually hung on a cross. But after only three brief years in public life and with just a small band of devoted followers, Jesus changed the world!

Jesus is still radical today and He is still changing the world through anyone willing to radically follow after Him. At this year's women's conference we will be considering what it means to follow a radical like Jesus, because that is what the Christian life is all about—following Him! How do we, as 21st century women, follow Jesus like those first disciples followed Jesus, and perhaps, change the world!

*"Come, follow me," Jesus said...." –Mark 1:17*
